

Gracie Abrams - Will You Cry?

tom:
Capostrate na 2ª casa

When you talk, you get shallow
Where I'll walk, you don't follow
When I scream, you're my echo
Will you cry if I let go?

[Primeira Parte]

Damage lined up
Wreckage left behind us
How'd we get stuck?
Now, I'm what you're bored of

[Refrão]

Now, you walk through me with my heart
Heavy

Breakin' my reverie, I could die early
With your arms 'round me, habits go
Slowly
Would it not kill to say goodbye?

[Refrão]

When you talk, you get shallow
Where I'll walk, you don't follow
When I scream, you're my echo
Will you cry if I let go?

Pieces broken
All w? left unspoken
Aimless, hopin'
L?ft my mouth wide open
It's kind of funny when it goes from all
To nothin'
You have to laugh before you start to
Cry
'Cause now I stop myself from holdin'
Onto somethin'
That makes me feel a little less alive

[Refrão]
