

Grady - Kissing Girls

tom:

[Primeira Parte]

You've got ^{Am} cash but I've ^F only got my ^C card
 I might crash staring at you in the car
 Tonight's been nice cuz I ^F kissed you at the ^C door
 And if I didn't see you anymore
 Then I could get by
 Thinking bout you in that shopping cart
 Cuz I took a picture of that smile and stuck in my heart
 I don't know too much about you but of what I do so far
 There's nothing not to love about you darling

[Segunda Parte]

You've got ^{Am} flights but I get you from the ^C curb
 Tell me whats your type cuz we both love kissing girls
 Let's eat dinner twice cuz nothings ^F fucking with those ^C curves
 This has been one good night if its the last one together
 Then I could get by
 Thinking bout you in that restaurant
 Cuz I took a picture of that smile and stuck in my heart
 I don't know too much about you but of what I do so far
 There's nothing not to love about you darling
 There's nothing not to love about you darling
