

Graham Nash - Better Days

Tom: Gb

Gb F#dim7
 When your love has moved away
 You must face yourself and say
 I remember better days
 Gb F#dim7
 Don't you cry `cause she is gone
 She is only moving on
 Chasing mirrors through a haze
 (Gb F#dim7 B Gb)

Gb F#dim7 B
 Now that you know it's nowhere
 What's to stop you coming home
 Gb F#dim7 B
 All you got to do is go there
 Then you'll really realize what's going down
 Gb F#dim7 B
 You went to a strange land searching
 For a truth you felt was wrong
 Gb F#dim7 B
 That's when the heartaches started
 Though you're where you want to be you're not where you belong
