

Granddaddy - Fuck The Valley Fudge

tom:
Siamese, Portuguese, dirty knees

Look at these

Rookies around us

Aren't you glad you found us?

Now if you are who you say you are

Get up here to the bar

We'll plot out a plan

To take down the man

We'll start with that new future super star

And steal all their decorative rocks

We'll fight all their rent-a-cops

And for the freeway maintainers

Who assist our escape

We got sandwiches, juice

And cold Gatorade

We'll expose all the bicyclists

Who really are

Dui students who can't drive their cars

And we'll take stucco dust

And wet dry wall sludge

Combine 'em just right

To make fuck the valley fudge

Applebee's, Chuckie Cheese, dirty deeds

Don't you see?

Fuck the valley fudge

It's my hate and my love

Nepalese, anti-freeze, calories

Can't you see?

Fuck the valley fudge

It's my hate and my love

Fuck the valley fudge

It's my hate and my love

Fuck the valley fudge

My hate

My love

My love

Fuck the valley fudge

Fuck the valley

Fuuuuuuuuuck
