

# Grande Elenco - Blonde Bitch

Tom: Gb

(forma dos acordes no tom de F )  
Capostrate na 1ª casa

You're not my blonde bitch  
 But i was kissing your lips  
 I don't wanna be here an early day  
 And I thought you were rich  
 But in another way  
 Your heart was set for something yesterday  
 Yesterday, Uh uh uh  
 No matter what she thinks  
 From what she did, she is a bitch  
 She's young and dumb and looking for convenience  
 You're not my blonde bitch  
 But yeah, I kissed your lips  
 I don't think I wanna see you another day!  
 Another Day, Uh uh uh!

Another Day, Uh uh uh!

And you're my blonde bitch (bitch)  
 And you're my blonde bitch (bitch)  
 And you're my blonde bitch (bitch)  
 And you're my blonde bitch (bitch)  
 You are my blonde bitch  
 And i was kissing your lips  
 I don't wanna be here an early day  
 And I thought you were rich  
 But in another way  
 Your heart was set for something yesterday  
 Yesterday, Uh uh uh  
 Yesterday, Uh uh uh  
 And you're my blonde bitch (bitch)  
 And you're my blonde bitch (bitch)  
 And you're my blonde bitch (bitch)  
 And you're my blonde bitch (bitch)
