

Grande Elenco - Inside Out

Tom: D

m

I?ve been waiting for
 Signs of a new melody
 Aeroplane with Mary Jane
 I guess it comes to me kinda naturally

I?ve been waiting for
 Signs of a new melody
 Aeroplane with Mary Jane
 I guess it comes to me kinda naturally

I guess what I?m saying, I don?t need a
 Reason, to write down some words and
 To find a rhythm
 If I had this figured out a long time ago
 I?d probably would have found another
 Way to grow
 Life proudly turns us into what we are
 We should never be ashamed for trying
 To reach the stars
 I know it doesn?t seem I know what I?m
 Talking about, but you will get it if you try
 To start to listen from the inside out

I?ve been waiting for
 Signs of a new melody
 Aeroplane with Mary Jane
 I guess it comes to me kinda naturally
