

Grandson - Again

tom:

Intro: E Dbm E Dbm

[Primeira Parte]

My heart is racin', I'm chasin'

A feeling, this healin'

My past is, catchin' up to me

Right through me

Poison, coursing

I'm dyin', I'm lyin'

Never better, never better

I wish I was present

But it's so unpleasant

We're in this together

But I'm the exception

My best friend's a stranger

This isn't my nature

But I'm never better

[Refrão]

I was thinkin'

I don't wanna be alone when I'm sinkin'

But it's all I've ever known, I was

Dreamin'

That today would be the day

I would change but I woke up the same

Again

I was thinkin'

I don't wanna be alone when I'm sinkin'

But it's all I've ever known, I was

Dreamin'

That today would be the day

I would change but I woke up the same

Again

Oh, oh, oh, oh

[Segunda Parte]

Is it fucked up

If I pulled you in the way of my bad luck?

And I ask for you to stay, I don't have

Much

What's the point in holdin' on

Both my hands are goin' numb

Misunderstandin' me, I should never let go

So why, I-I-I-I

Don't I, I-I-I-I

I ever wanna wake up

Little by little I showed them it'd break us

And even if I'm not in the way of your

Trust

And nevermind adrenaline lone will escape us

[Refrão]

I was thinkin'

I don't wanna be alone when I'm sinkin'

But it's all I've ever known, I was

Dreamin'

That today would be the day

I would change but I woke up the same

Again

I was thinkin'

I don't wanna be alone when I'm sinkin'

But it's all I've ever known, I was

Dreamin'

That today would be the day

I would change but I woke up the same

Again

[Ponte]

And again, and again, and again

It's all the same again

And again, and again

It's all the same again

And again, and again

It's all the same again

And again, and again

It's all the same

[Refrão]

I was thinkin'

I don't wanna be alone when I'm sinkin'

But it's all I've ever known, I was

Dreamin'

That today would be the day

I would change but I woke up the same

Again

I was thinkin'

I don't wanna be alone when I'm sinkin'

But it's all I've ever known, I was

Dreamin'

That today would be the day

I would change but I woke up the same

Again

And again

Oh, oh, oh, oh

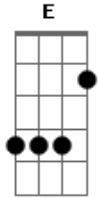

[Final]

It's all the same again

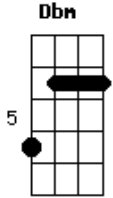

Oh, oh, oh, oh, oh

Oh, oh
