

# Granger Smith - The Country Boy Song

Tom: C

I wake up, put a dip in, crack a cold one  
 Put my boots and my overalls on  
 This is the country boy song  
 I like to gig frogs, I like to gut hogs  
 Like to swim in the creek with my bird dog, uh huh  
 This is the country boy song  
 Chew it up, spit it out  
 Crack a cold one and tilt it back  
 I'm tired of these city boys runnin' their mouths  
 If their truck gets stuck, I ain't pullin' them out  
 If you got a dip in your lip help me sing along  
 This is the country boy song  
 I catch bass and cats with a rod and reel  
 Kill bucks from atop of a windmill all day long  
 This is the country boy song  
 I fix the tree, wittle sticks  
 My barbwire tattoo gets me chicks, uh huh  
 Of course it goes all the way around  
 I keep a twelve guage by my water bed  
 Cause the next trailer over lives a meth head, uh huh  
 And that ain't biscuits he's cookin'

Yeah, I'm a redneck, I'm white trash  
 Quarter Cherokee blood from my mom's half, uh huh  
 This is the country boy song

Gettin' country drunk in the back of my truck  
 The night is young, I'm gonna get messed up  
 Gettin' country drunk in the back of my truck  
 The night is young, I'm gonna get messed up  
 Gettin' country drunk in the back of my truck  
 The night is young, I'm gonna get messed up  
 Gettin' country drunk in the back of my truck  
 The night is young, I'm gonna get messed up  
 Gettin' country drunk in the back of my truck  
 The night is young, I'm gonna get

Put a good dip in, yee yee

Every time I dip I think about gettin' a cold one  
 And I tell 'em, get those four wheelers runnin'  
 Comin' like that  
 Got cold ones crackin' dips dipsin'  
 Things I? do everyday, fix trees, dip, wake ups,  
 I ain't got no windmills in cities  
 How you gonna getting drinkin' water in the cities  
 When you got, when you ain't got no windmills,  
 How I even drink in the cities  
 I'm honkin up that thing in four wheel drive  
 Hit that thing down  
 Comin' up on that hill  
 A rock just comin' down, comin' down  
 All the way down
