

Grant Lemon - Pillar Of Light

tom:

Intro: C F Am G C F

Darkness covered the earth; people were looking for truth

But it was taking away so long ago

God was preparing their hearts

So, He could light up the dark

Cause it was time for a new beginning

There was a boy who needed answers

One that was chosen by God

So, he went and found a place to pray

And when he prayed

A pillar of light rested on him

The windows of heaven were opened again

They called him by name

Chosen by God

He was part of a bigger plan

It all began with a pillar of light

(Am G C F)

Shining bright as the sun

Heavenly rays of love

Started drowning out the darkness

And everything that was lost

Was given back to us

In a spiritual restoration

God showed us we were not forgotten

And he provided a way

All because a boy knelt to pray

And when he prayed

A pillar of light rested on him

The windows of heaven were opened again

They called him by name

Chosen by God

He was part of a bigger plan

It all began with a pillar of light

God the Father and the Son appeared

To place a little piece of heaven here

They showed their perfect love for us

With a pillar of light

A pillar of light

A pillar of light rested on him

The windows of heaven were opened again

They called him by name

Chosen by God

He was part of a bigger plan

It all began with a pillar of light

A pillar of light
