

Graveola e o Lixo Polifônico - Inverno

Tom: C

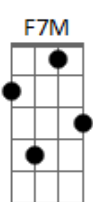

sei que me convêm os pés no chão
 os olhos sem se abrir demais
 a sorte pouca e justa enfim
 sei alimentar o sonho em minha voz
 que não consente a própria vaidade de existir
 quanto desacato ao simples querer

F7 E7 Dm7 E7(13b) Am7 Dm F7 E7 Am7
 eu devo dizer: eu guardo um mundo em mim
 sem saber por onde posso andar
 por onde começar eu vejo é tão difícil desistir
 posso acreditar? Devo acreditar em quê?
 quanto desacato ao simples querer
 eu devo dizer: eu guardo um mundo em mim
 (Am7 F-)
