

# Grazi Vilanueva - Nossa Tradição Junina

tom:

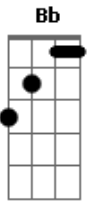

O ano só inicia  
 Pra família nordestina  
 Quando a sanfona anuncia  
 Nossa tradição junina  
 Já pedi à São José, à São Pedro e à Santo Antônio  
 São João devia ser num início de todo ano  
 Vida tem novo rumo  
 A fé se renovando  
 Na roça a alegria do pendão que vem brotando  
 No rosto, a esperança  
 De ser assim todo ano

Garoa que cai na terra  
 Milho perfuma o fogo  
 Canjica na mesa  
 Isso sim é ano novo  
 Se vestir de branco é Paz  
 De amarelo é dinheiro no bolso  
 [Refrão]  
 Desde que Santa Isabé  
 Avisou a nossa senhora  
 O nascimento de João  
 A fogueira virou história  
 Fogos de artifícios  
 Balões e bandeirolas
