 What's that playing on the radio, why do I start
G7
 swaying to and fro
 I have never heard that song before, but if I don't hear it
 anymore
 It's still familiar to me, sends a thrill right through me
 Cause those chords remind me of the night that I first fell in
 love to

Those magic changes my heart arranges
 A melody that's never the same, a melody that's calling your

name
 It begs you please, come back to me
 Please, return to me, don't go away again, oh make them play
 again
 The music I wanna hear is once again, you whisper in my ear
 Oh my darling, aha

I'll be waiting by the radio, you'll come back to me someday,
 I know
 Been so long since our last goodbye, but I'm singin' as I cry
 While the bass is sounding, while the drums are pounding
 Beatings of my broken heart will rise the first place of the
 charts

Oh my heart arranges, oh those magic changes, ooh yeah
