 What's that playing on the radio, why do I start  
**G7**  
 swaying to and fro  
 I have never heard that song before, but if I don't hear it  
 anymore  
 It's still familiar to me, sends a thrill right through me  
 Cause those chords remind me of the night that I first fell in  
 love to

Those magic changes my heart arranges  
 A melody that's never the same, a melody that's calling your

name  
 It begs you please, come back to me  
 Please, return to me, don't go away again, oh make them play  
 again  
 The music I wanna hear is once again, you whisper in my ear  
 Oh my darling, aha

I'll be waiting by the radio, you'll come back to me someday,  
 I know  
 Been so long since our last goodbye, but I'm singin' as I cry  
 While the bass is sounding, while the drums are pounding  
 Beatings of my broken heart will rise the first place of the  
 charts

Oh my heart arranges, oh those magic changes, ooh yeah
