

# Green Day - Burnout

Tom: C

Essa música eh em Eb

Riff 1

VERSE 1

I declare I don't care no more  
 I'm burning up and out and growing bored  
 In my smoked out boring room  
 My hair is shagging in my eyes  
 Dragging my feet to hit the street tonight  
 To drive along these shit town lights

CHORUS

I'm not growing up  
 I'm just burning out  
 And I stepped in line to walk amongst the dead

VERSE 2

Apathy has rained on me

Now I'm feeling like a soggy dream  
 So close to drowning but I don't mind  
 I've lived inside this mental cave  
 Throw my emotions in the grave  
 Hell who needs them anyway

CHORUS 2

And I stepped in line to walk amongst the dead...
