

Green Day - Burnout

Tom: C

Essa música eh em Eb

Riff 1

VERSE 1

I declare I don't care no more
 I'm burning up and out and growing bored
 In my smoked out boring room
 My hair is shagging in my eyes
 Dragging my feet to hit the street tonight
 To drive along these shit town lights

CHORUS

I'm not growing up
 I'm just burning out
 And I stepped in line to walk amongst the dead

VERSE 2

Apathy has rained on me

Now I'm feeling like a soggy dream
 So close to drowning but I don't mind
 I've lived inside this mental cave
 Throw my emotions in the grave
 Hell who needs them anyway

CHORUS 2

And I stepped in line to walk amongst the dead...
