

# Green Day - Deadbeat Holiday

Tom: G

Vers 1

Wake up, The house is on fire  
 And the cat's caught in the dryer  
 Philosophy's a liar when  
 Your home is your headstone  
 "Icon" is the last chance for hope  
 When there's no such thing as heroes  
 Your faith lies in the ditch that  
 You dug yourself in

Pre Chorus

Last chance to piss it all away  
 Nothing but hell to pay  
 When the lights are going down

Chorus

Deadbeat Holiday celebrate your own decay  
 There's a vacant sign that's hanging high  
 On a noose over your home  
 Deadbeat Holiday get on your knees and pray  
 There's a vacant sign that's hanging high

But at least you're not alone

Vers 2 (same chords as in vers 1)

Christmas lights in the middle of August  
 Grudges come back to haunt us  
 Your oldest allies are your long lost enemies  
 Grounded in a duplex to find that  
 You're living on a landmine  
 Vacation hotspots is a cemetery drive

Pre Chorus (same chords as in the last P.C.)

Last chance to piss it all away  
 Nothing but hell to pay  
 When the lights are going down

Chorus (Same chords as in the last chorus)

Deadbeat Holiday celebrate your own decay  
 There's a vacant sign that's hanging high  
 On a noose over your home

Deadbeat Holiday get on your knees and pray  
 There's a vacant sign that's hanging high  
 But at least you're not alone

Pre Chorus

Last chance to piss it all away  
 Nothing but hell to pay when all you  
 Want to do is...not to...give up.....

Play chorus again

End on C

During the last chorus there is a little riff with for notes. If you listen to the record you will hear it. The tab for that riff is:
