

Green Day - Deadbeat Holiday

Tom: G

Vers 1

Wake up, The house is on fire
 And the cat's caught in the dryer
 Philosophy's a liar when
 Your home is your headstone
 "Icon" is the last chance for hope
 When there's no such thing as heroes
 Your faith lies in the ditch that
 You dug yourself in

Pre Chorus

Last chance to piss it all away
 Nothing but hell to pay
 When the lights are going down

Chorus

Deadbeat Holiday celebrate your own decay
 There's a vacant sign that's hanging high
 On a noose over your home
 Deadbeat Holiday get on your knees and pray
 There's a vacant sign that's hanging high

But at least you're not alone

Vers 2 (same chords as in vers 1)

Christmas lights in the middle of August
 Grudges come back to haunt us
 Your oldest allies are your long lost enemies
 Grounded in a duplex to find that
 You're living on a landmine
 Vacation hotspots is a cemetery drive

Pre Chorus (same chords as in the last P.C.)

Last chance to piss it all away
 Nothing but hell to pay
 When the lights are going down

Chorus (Same chords as in the last chorus)

Deadbeat Holiday celebrate your own decay
 There's a vacant sign that's hanging high
 On a noose over your home

Deadbeat Holiday get on your knees and pray
 There's a vacant sign that's hanging high
 But at least you're not alone

Pre Chorus

Last chance to piss it all away
 Nothing but hell to pay when all you
 Want to do is...not to...give up.....

Play chorus again

End on C

During the last chorus there is a little riff with for notes. If you listen to the record you will hear it. The tab for that riff is:
