

# Green Day - Father To a Son

tom:

Intro: D D G Gm D

[Primeira Parte]

You're a lighthouse in a storm

From the day that you were born

A promise

Father to a son

Your mother said it best

We will be put to a test

A promise

Father to a son

[Refrão]

Is there anything I can do

A wisdom where your heart is heading to

A place you want more than I can give

Father to a son

( D G Gm D )

[Segunda Parte]

Well I made a few mistakes

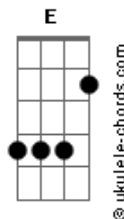

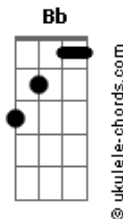

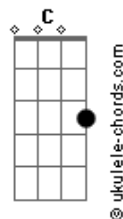

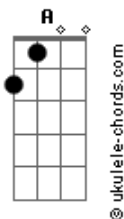

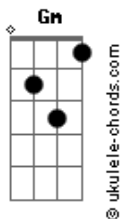

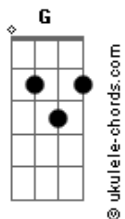

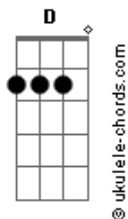

But I'll never break your heart

A promise

Father to a son

Father to a son

## Acordes

I never knew a love

Could be scarier than anger

A promise

Father to a son

[Refrão]

Is there anything I can do

A wisdom where your heart is heading to

A place you want more than I can give

Father to a son

[Solo] D C G Bb C D  
D C G Bb C D

( D C G Bb C A )

[Refrão Final]

Is there anything I can do

A wisdom where your heart is heading to

A place you want more than I can give

Father to a son
