Ahem. Because Mike Dirnt is more than just an average bassist. The 2-2 instead of 7-7 I put there for ease of playing. Plus on the video it looks like that's what they do anyways. If you listen closely (it helps if you have 3D sound on your soundcard/home stereo for this) you can hear him do that neat 8th note run. I think it's really cool. Kinda mysterious, hmm? Well enough babble, here's the song
