Verse

Chorus

Lyrics:

My heart is beating from me  
I am standing all alone  
Please call me only  
If you are coming come  
Waste another year flies by  
Waste a night or two  
You taught me how to live

(Intro)

In the streets of shame  
Where you've lost your dreams in the rain  
There's no sign of hope  
The stems and seeds of the last of the dope

(Verse 1)

There's a glow of light  
The St. Jimmy is the spark in the night  
Bearing gifts and trust  
The fixture in the city of lust

(Verse 2)

What the hell's your name  
Whats your pleasure what is your pain?  
Do you dream to much?  
Do you think what you need is a crutch

(Chorus)

In the crowd of pain  
St. Jimmy comes without any shame  
He says "We're fucked up," but we're not the same  
And mom and dad are the ones you can blame

(Verse 3)

Jimmy died today  
He blew out his brains into the bay  
In the state of mind  
It's my own private suicide

(Chorus)

Here they come marching down the street  
Like a desperation murmur of a heart beat (Verse 1)  
Coming back from the edge of town  
Underneath their feet

The time has come and it going nowhere  
Nobody ever said that life was fair now (Verse 2)  
Go-carts and guns are treasures they will bear  
In the summer heat

The world is spinning
