(Verse 1)
 I sit alone in my bedroom, staring at the walls
 I've been up all damn nightlong
 My pulse is speeding, my love is yearning

(Chorus)
 I hold my breath and close my eyes
 And dream about her...
 Cause she's 2000 light years away
 She holds my malachite so tight so
 Never let go...
 Cause she's 2000 light years away

(Verse 2)
 I sit outside and watch the sunrise
 Lookout as far as I can
 I can't see her, but in the distance
 I hear some laughter, we laugh together

(Chorus)
 I hold my breath and close my eyes
 And dream about her...
 Cause she's 2000 light years away
 She holds my malachite so tight so
 Never let go...
 Cause she's 2000 light years away

(Verse 1)

Lyrics

(Verse)
 Juliet's trying to find out what she wants, but she don't know
 Experience has got her down
 Look this direction, I know it's not perfection; it's just me...
 I want to bring you up again now

(Chorus)
 Cause' I'm losing what's left of my dignity
 A small price to pay to see that you're happy
 Forget all the disappointments you have faced
 Open up your worried world and let me in

(Verse)
 Juliet's crying cause now she's realizing love can be
 Filled with pain and distrust
 I know I am crazy, and a bit lazy
 But I will try to bring you up again somehow

(Chorus)
 Cause' I'm losing what's left of my dignity
 A small price to pay to see that you're happy
 Forget all the disappointments you have faced
 Open up your worried world and let me in

(Verse)

(Chorus)

Cause' I'm losing what's left of my dignity
A small price to pay to see that you're happy
Forget all the disappointments you have faced
Open up your worried world and let me in

I want to take you through
A wasteland I like to call
My home
Welcome To Paradise

Green Day Welcome to Paradise

(Verse)
Dear mother,
Can you hear me laughing?
It's been six whole months since
Since that I have left your home
It makes me wonder why I'm still here
For some strange reason it's now
Feeling like my home
And I'm never gonna go

Note: there is loads of guitars used in this song especially
in the interlude but I have

Dear mother,
Can you hear me whining?
It's been three whole weeks
Since that I have left your home
This sudden fear has left me trembling
Cause now it seems that I am out here on my own
And I'm feeling so alone

Lyrics

(Verse 1)

Staring out of my window
Watching the cars go rolling by
And my friends are gone
I've got nothing to do

So I sit here patiently
Watching the clock tick so slowly
Gotta get away
Or my brains will explode

(Chorus)
Give me something to do to kill some time
Take me to that place that I call home
Take away the strains of being lonely
Take me to the tracks and Christie road

(Verse 2)
See the hills from above
Standing on my beat up car
And the sun went down
And the night fills the sky

Now I feel like me once again
As I train comes a rolling in
Smoked by boredom - gone
Slapped my brains out so high

(Chorus)
Give me something to do to kill some time
Take me to that place that I call home
Take away the strains of being lonely
Take me to the tracks and Christie road

(Interlude)
Mother stay out of my way
Of that place we go
We'll always seem to find our way
To Christie road
Mother stay out of my way
Of that place we go
We'll always seem to find our way
To Christie road

If there's one thing that I need
That makes me feel complete
So I go to Christie road its Home... its Home

(Outro)
Its Home

Lyrics

(Verse)
I wonder down these streets all by myself
Think of my future now I just don't know
I don't seem to care
I stop to notice that
I'm by your home
I wonder if you're sitting all alone
Or is your boyfriend there

(Chorus)
Because I feel so right
Let my imagination go
Until you're in my sight
And through my veins temptation flows
Whoa hoe...
Out here...

(Verse)
So I sit down here on the hard concrete
Think of my future now
I just don't know
I don't seem to care
So I sit across the street from your home
I wonder if you're sitting all alone
Or is your boyfriend there

(Chorus)
Because I feel so right
Let my imagination go
Until you're in my sight
And through my veins temptation flows
Whoa hoe...
Out here...

(Chorus)
Because I feel so right
Let my imagination go
Until you're in my sight
And through my veins temptation flows
Whoa hoe...
Out here...

Lyrics

(Verse 1)
When I was younger I thought that the world
Circled around me
But (in) time I realised I was alone
My year by the thoughts turned in to child's dreams of the
near future
It was a tragic case of my reality

(Bridge)
Do you think your indestructible and no one can touch you?
Well I think your disposable and its time you knew the truth

(Chorus)
Cos this is one of my lies
Oh its just one of my lies
And all I wanna do is get real high
But its just one of my lies

(Verse 2)
Why does my life have to be so small?
And nothings forever
And does forever have a plot to call his home
Don't give me an answer Cos you only now as much as I know
Unless you've been their once well I hardly think so

(Bridge)
Do you think your indestructible and no one can touch you?
Well I think your disposable and its time you knew the truth

(Chorus)
Cos this is one of my lies
Oh its just one of my lies
And all I wanna do is get real high
But its just one of my lies

(Interlude)
I used to pray all night
Before I lay myself down
My mother said it was right
Her mother said it too...
Why?
