repetir a sequência até 'sleep tonight'

Guitarra 1:

Gbm A Bm E

I'm too tired to be bored  
I'm too bored to be tired  
And the silence is so deafening  
it's like picking at a sore  
I'm too mental to go crazy  
I'm too drunk too be pure  
And my mind is playing tricks on me  
And I can't sleep tonight 'cause I'm so tired,

With all the liars  
Like a prisoner of war  
I don't want your sympathy  
I don't want your honesty  
I just want to get some peace of mind  
It's only in my head  
As I roll over and play dead  
I don't want to hear it anymore

(Guitarra 2 repete a Intro)

It's good to see you but I really must admit  
There's an odor in the air and I think you look like shit...  
I can't stand from falling down  
i'm too sick to throw up  
Everyone keeps talking

and they can't shut the fuck up, cause I'm so tired,

I can't take it anymore  
With all the liars  
Like a prisoner of war  
I don't want your sympathy  
I don't want your honesty  
I just want to get some peace of mind  
It's only in my head  
As I roll over and play dead  
I don't want to hear it anymore
