Do you feel washed up, like piss going down the drain.

Pre-Chorus w/ Pre-Chorus Riff

Chorus w/ Chorus Riff  
Oh nice guys finish last, when you are the outcast.  
Donn't pat yourself on the back, you might break your spine.

Verse 2 w/ Verse Riff  
Living on command.  
You're shaking lots of hands.

Kissing up and bleeding all your trust, taking what you need.

VERSE  
  
Intro: w/ INTRO  
  
Verse 1 w/ VERSE  
We're living in repetition.  
Content in the same old shtick again.  
Now the routine's turning to contention,  
like a production line going over and over and over, roller  
coaster.

3. The Grouch  
Green Day - Nimrod

Chorus w/ INTRO  
Now I cannot speak, I've lost my voice.  
I'm speechless and reduntant.  
'Cause I love you's not enough.

I'm lost for words

Verse 2 w/ VERSE

Choreographed and lack of passion.  
Prototypes of what we were.  
Went full circle 'til I'm nauseous.  
Taken for granted now I waste it, faked it, ate it, now I hate it.

Intro: Riff

Verse Riff

Chorus Riff

Intro: w/ Intro Riff

Verse 1 w/ Verse Riff

I've got some scattered pictures lying on my bedroom floor.  
Reminds me of the times we shared.  
Makes me wish that you were here.  
Now it seems I've forgotten my purpose in this life.  
All the songs have been erased.  
Guess I've learned from my mistakes.

Chorus w/ Chorus Riff

Open the past and present.  
Now and we are there.  
Story to tell and I am listening.  
Open the past and present.  
And the future too.  
It's all I've got and I'm giving it up to you.

Verse 2 w/ Verse Riff

Loose ends tied in knots.  
Leaving a lump down in my throat.  
Gagging on a souvenir.  
Lodged to fill another year.  
Drag it on and on until my skin is ripped to shreds.  
Leaving my self wide open.  
Living out a sacrifice.

Chorus

Bridge w/ Intro Riff

If you got no one and I've got no place to go, would it be alright?  
Could it be alright?

Rhy. Fig. 2

Rhy. Fig. 3

Intro: w/ Rhy. Fig. 1

Verse 1 w/ Rhy. Fig. 2

All the time, every time I need it.  
What's the time?  
I'd say the time is right.  
Here's to me.  
Let's find another reason.  
Down the hatch.  
And a bad attitude, salud.

Bridge w/ Rhy. Fig. 1

Wasting time, wasting time down a bum fuck road.  
And I don't know where the hell it'll go.  
Heirlooms and huffing fumes, and I'm picking up the pace  
and I'm gonna smash straight into a wall.

Verse 2 w/ Rhy. Fig. 2

All the time.  
A "New Years Resolution" how soon that we forget.  
Doing time.  
Loving every minute.  
Live it up on another let down. salud.

Bridge w/ Rhy. Fig. 1

Promises, promises, it was all set in stone.  
Cross my heart and hope to die.  
Sugar fix.  
Dirty tricks and a trick question.  
Guess I should have read between the lines.

Interlude - Rhy. Fig. 2

Chorus w/ Rhy. Fig. 3

Having the time of my life,  
watch the clock tick.

Verse 3 w/ Rhy. Fig. 2

All the time, where did all the time go?  
It's too late to say goodnight.  
Time flies when you're having fun.  
Times up when you work like a dog, salud.

Verse 1 w/ Verse Riff

Another sentimental argument, and bitter love.  
Fucked without a kiss again and dragged it through the mud.  
Yelling at brick walls and punching windows made of stone.  
The worry rock has turned to dust, and fallen on our pride.  
A knocked down dragged out fight.  
Fat lips and open wounds.  
Another wasted night, and no one will take the fall.

Where do we go from where?  
and what did you do with the directions?  
Promise me no dead end streets and I'll guarantee we'll have  
the road.

Verse 2 w/ VERSE RIFF  
I heard you're sick  
Sucked on that cancer stick  
A throbbing tumor and a radiation high  
Shit out of luck

It brings me pleasure just to know you're going to die.
