

# Green Day - Rotting

Tom: C

Riff 1

C G  
I'm rotting inside,  
F C  
My flesh turns to dust,  
F C  
Whisper are you dying in my ear.  
C (com Riff 1) G  
I'm so sick of death,  
F C  
Tumors in my head,  
F C  
Whisper are you dying in my ear.

Ab C  
Red rose of death.  
Ab C  
In my fist I clutch.  
Ab C  
Thorns shred my fingertips.  
F G  
And drips of toxic blood.

C G  
Kiss me one last time,  
F C  
Cloth off my sweat,  
F C

Whisper are you dying in my ear.

As my bones they rust,

Whisper are you dying in my ear.
