

Green Day - Scattered

Tom: B
 Intro: B (volume aumentando)
 B - A - Ab - E (3x)
 B - A - B

Well I've got some scattered pictures lying on my bedroom floor
 Reminds me of the times we shared makes me wish that you were here
 Cause now it seems I've forgotten my purpose in this life
 Well all the songs have been erased guess I've learned from my mistakes

Open the past and present now and we are there
 Story to tell and I am listening

Open the past and present and the future too
 It's all I got and I'm giving it to you

Well lose ends tied in knots leaving a lump down in my throat
 Well gagging on a souvenir lodged to fill another year
 Well drag it on and on until my skin is ripped to shreds
 Well leaving myself open wide living out a sacrifice

Riff (2x): B - A - Ab - E

If you got no one
 And you got no place to go
 Would it be alright?
 Could it be alright?
