

Green Day - Scumbag

Tom: B

(E B)

You come around every now and then
Your clothes are different but you're still the same

E

Why else would you come here?
Scumbag on a mission

(E B)

You're telling me that it's been awhile
Shitting your greed and a brand new lie

E

Somebody let you come here
Scumbag with permission

Ab E
Never thought I'd see the likes of you around this place

Ab Gb
What's the special occasion did you run out of friends

(E B)

Here you are coming around again
And things are different but you still pretend

E

You've got a reason to come here
Scumbag with ambition

(E B)

And now you're telling me that things have changed
And you'll be leaving in a couple days

E

You're gonan change the world someday
Scumbag with a vision

Ab E
It must be nice to know you got it all figured out

Ab
But from where I'm sitting

Gb

It's the same thing again and again

Solo (E B) E

Ab E
You never stop to think before you open up your mouth

Ab
'Cause everytime you do

Gb

It's the same thing again and again

Acordes
