

# Green Day - Scumbag

Tom: B

( E B )

You come around every now and then  
Your clothes are different but you're still the same

E  
Why else would you come here?  
Scumbag on a mission

( E B )  
You're telling me that it's been awhile  
Shitting your greed and a brand new lie

E  
Somebody let you come here  
Scumbag with permission

Ab E  
Never thought I'd see the likes of you around this place

Ab Gb  
What's the special occasion did you run out of friends

( E B )  
Here you are coming around again  
And things are different but you still pretend

E

You've got a reason to come here  
Scumbag with ambition

( E B )  
And now you're telling me that things have changed  
And you'll be leaving in a couple days

E  
You're gonan change the world someday  
Scumbag with a vision

Ab E  
It must be nice to know you got it all figured out

Ab  
But from where I'm sitting

Gb  
It's the same thing again and again

Solo ( E B ) E

Ab E  
You never stop to think before you open up your mouth

Ab  
'Cause everytime you do

Gb  
It's the same thing again and again

## Acordes
