

# Green Day - She's 2000 Light Years Away

Tom: C

C G  
 I sit alone in my bedroom  
C G  
 Staring at the walls  
C G  
 I've been up all damn night long  
C G  
 My pulse is speeding, my love is yearning

Am C  
 I hold my breath and close eyes  
Am G  
 And dream about her  
F G C

Cause she's 2000 light years away  
F G C  
 She holds my mala kite so tight so  
F G C  
 Never let go  
F G C  
 Cause she 2000 light years away  
  
F G C  
 I sit outside and watch the sunrise  
F G C  
 Lookout as far as I can  
F G C  
 I can't see her, but in the distance  
F G C  
 I hear some laughter, we laugh together
