

Green Day - She's 2000 Light Years Away

Tom: C

I sit alone in my bedroom
 Staring at the walls
 I've been up all damn night long
 My pulse is speeding, my love is yearning
 I hold my breath and close eyes
 And dream about her

Cause she's 2000 light years away
 She holds my mala kite so tight so
 Never let go
 Cause she 2000 light years away
 I sit outside and watch the sunrise
 Lookout as far as I can
 I can't see her, but in the distance
 I hear some laughter, we laugh together
