Letra

Shoplifter, you'll never learn  
When you commit the crime  
Shoplifter, you're getting burned  
And now you gotta do the time

It's a 1, 2, 3 on the felony  
Well not everything is free  
Now that you served the community

It's the life of a petty thief

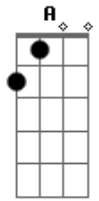

It's not considered stealing  
Unless you're getting caught  
But Jimmy be caught stealing  
Tryin' to take something you haven't got

Shoplifter, you'll never learn  
What lies behind your back  
Not a burgler or a bankrobber  
Just a kleptomaniac

It's not considered stealing  
Unless you're getting caught  
But Jimmy be caught stealing  
Tryin' to take something you haven't got

Shoplifter, you'll never learn  
When you commit the crime  
Shoplifter, you're getting burned  
And now you gotta do the time  
Oh now you gotta do the time  
Well now you gotta do some time
