Intro: A, D, G, **A** x 2

Verse: (A, D, G, A|- throughout)  
Do as I say not as I do because the shit's so deep you can't run away

Hit and run and then I'll hit you again I'm a smart ass but I'm playing dumb

Interlude:  
A, D, G, **A** x 2

Verse: (A, D, G, A|- throughout)  
Standards set and broken all the time, control the chaos from behind a gun  
Call it as I see it even if I was born deaf, blind and dumb  
Losers winning big on the lottery, rehab rejects still sniffing glue  
Constant refutation with myself I'm victim of catch 22

Chorus: (D, G, **A** ? throughout)  
I have no belief  
But I believe on the walking contradiction  
And, I ain't got no right

Intro: G, D, A, **D** x 2

Verse: (Same chord progression as intro)  
I'm just a mutt and nowhere is my home

Bridge:  
**A** **B** **C**

Verse: (Same chord progression as intro and verse)

**A** **B** **C**

(As recorded by Green Day ? Insomniac)

Lyrics and song progression

Intro: Verse:

Boxed up, all of her favourite things, sold the rest at a rainy yard sale

Weighed out, her choices on a scale, prevailing nothing made sense

Just transportation and a blank decision? She?s taking off

Interlude: (Same as intro)

Verse:

No time and no coping out, she?s burning daylight petrol

Blacked out the rear-view mirror, heading westward on

Strung out on confusion road and ten minute nervous breakdowns

Xanax a beer for thought and she determined? She?s taking off

Interlude: (Same as intro)

Bridge:

Is it starvation or an escape from discontent

Will she find her name in the California cement

Punched out of the grind that punched her one too many times

Is tragedy two-thousand miles away? She?s taking off

Verse: (Same as intro)

I heard you crying loud

All the way across town

You've been searching for that someone and it?s me out on the prowl

I?m just roaming for the moment sleazin? my back yard

'Cause you know where I?ll be found

When I come around

So don?t knock down my door

I?m a loser and a user so I don?t need no accuser,

Make sure you do it wise

You may find out that your self doubt means nothing was ever there

You can?t go forcing something if it?s just not right
