A E
Where in the world's the forgotten?

They're lost inside your memory

You're dragging on, your heart's been broken

As we all go down in history

Where in the world did the time go?

It's where your spirit seems to roam

Like losing faith to our abandon

From the arms of a bad dream

A E
I don't feel strange, it's more like haunted
Gbm Db
Another moment trapped in time
D A
I can't quite put my finger on it
G E

But it's like a child that was left behind

A E
So where in the world's the forgotten?
Gbm Db
Like soldiers from a long lost war

We share the scars from our abandon

And what we remember becomes folklore
