

Green Day - When It's Time

Tom: G

^G Words get trapped in my mind,
^{Em} Sorry I don't take the time to feel the way I do.
^G Cause the first day you came into my life,
^D The time ticks around you

^G But then I need your voice
^{Em} As the key to unlock all the love that's trapped in me

^G So tell me when it's time to say I love you. ^{G7}

^C All I want is you to understand, that
^D when I take your hand, it's 'cause I want to.
^C We are all born in a world of doubt
^D But there's no doubt, I figured out

^C I love you.

^G I feel lonely for

^{Em} All the losers that will never take the time to say,
^G What was really on their mind instead
^D They just hide away

^G Yet they'll never have
^{Em} someone like you to guide them and help along the way.

^G Or tell them when it's time to say I love you.

^G So tell me when it's time to say I love you. ^D ^C ^G ^D ^G
