

# Green Day - When It's Time

Tom: G

<sup>G</sup> Words get trapped in my mind,  
<sup>Em</sup> Sorry I don't take the time to feel the way I do.  
<sup>G</sup> Cause the first day you came into my life,  
<sup>D</sup> The time ticks around you

<sup>G</sup> But then I need your voice  
<sup>Em</sup> As the key to unlock all the love that's trapped in me

<sup>G</sup> So tell me when it's time to say I love you. <sup>G7</sup>

<sup>C</sup> All I want is you to understand, that  
<sup>D</sup> when I take your hand, it's 'cause I want to.  
<sup>C</sup> We are all born in a world of doubt  
<sup>D</sup> But there's no doubt, I figured out

<sup>C</sup> I love you.

( G D C )  
 ( Em C D ) (2x)

(solo 2x)

<sup>C</sup> All I want is you to understand, that  
<sup>D</sup> when I take your hand, it's 'cause I want to.  
<sup>C</sup> We are all born in a world of doubt  
<sup>D</sup> But there's no doubt, I figured out

<sup>C</sup> I love you.

<sup>G</sup> I feel lonely for

<sup>Em</sup> All the losers that will never take the time to say,  
<sup>G</sup> What was really on their mind instead  
<sup>D</sup> They just hide away

<sup>G</sup> Yet they'll never have  
<sup>Em</sup> someone like you to guide them and help along the way.  
<sup>C</sup> Or tell them when it's time to say I love you.

<sup>G</sup> So tell me when it's time to say I love you. <sup>D</sup> <sup>C</sup> <sup>G</sup> <sup>D</sup> <sup>G</sup>
