Intro: ^{Abm7} ^{Ebm7}

^{Abm7}
Searching for balance, praying for clarity
^{Ebm7}
Ma stripped me naked, take this identity
^{Abm7}
Tell me it's unity
^{Ebm7}
In Lak'ech Ala K'in
I am you, you are me

^{Abm7}
I wear clothes, I like to hide
^{Ebm7}
So no one knows what I'm made from
Deep in my soul
^{Abm7}
Taken from home so far we stroll
Deep in these roads
^{Ebm7}
Think we control this shit, we don't
But fuck we could, I wish we would
^{Abm7}
Throw away these phones, get a bit more holy
^{Ebm7}
See the world more slowly, ten test my roses

^{Abm7}
Searching for balance, praying for clarity
^{Ebm7}
Ma stripped me naked, take this identity

^{Abm7}
Tell me it's unity
^{Ebm7}
In Lak'ech Ala K'in
I am you, you are me

^{Abm7}
See all I know is that I know
^{Ebm7}
Nothing at all, this shit is so
Mystical, magical
^{Abm7}
I know we don't know our potential
^{Ebm7}
How could we when they lie they cast spells
And they try dropping bombs from the skies
^{Abm7}
Like we are not stars
^{Ebm7}
Inside me there's a war
^{Abm7} ^{Ebm7}
Jai Maa, Jai Maa
