Tom: A

Intro: F Em Am  
F Em Am

I was born by the river in a little tent  
And just like the river baby I've been running ever since  
It's been a long, a long time coming  
And I know a change is gonna come

It's been too hard living, but I'm afraid to die  
'Cause I don't know what's up there baby beyond the sky  
It's been a long, a long time coming  
And I know a change is gonna come

Then I go down to my brother  
And I say: Brother, help me please

But he winds up knockin' me back down  
On my knees, yeah!

There been times that I thought I couldn't last for long  
But now I think I'm able to carry on  
It's been a long, a long time coming  
And I know a change is gonna come, oh yes it will  
It's been a long, a long time coming  
And I know a change is gonna come, oh yes it will  
Well, it's been a long, a long time coming

And I know change is gonna come, change

I know it, I know it, I know, I know, I know. Change

A change is gonna come! Uhhhh! Ohh woh woohhh!
