

Greta Van Fleet - Safari Song

Tom: A
Intro: A G D
A G D

A G D
Oooooh
A G D
Yeah

(A G D)
(A G D)

A
Oh lady won't you come on down, won't you come on down
I said to my town

A
Oh mama won't you come on down, won't you come on down
I said to my home

A
Oh lady won't you move my way, can't you move my way
I'm getting hazy

A
Oh mama when you give your love, when you give your love
You drive me crazy

[Refrão]

A G D
Oh mama, what you gonna do with all that love in your heart

A G D
Oh mama, what you gotta say about that love in your heart

A G D
Oh mama, when you walk this way why don't you give some lovin'

A G D
Oh mama, what you gonna do with all that love in your heart

(A G D)
(A G D)

A
See mama I gonna feel your everything, I feel your everything

A G D
I really wanna know

A
See mama when you shine you're shining bright, give your giving light

A G D
I really want your love to glow

A
See mama when your heart is in its place, see that smiling face

A G D
Is all I wanna do

A
See mama every time that you won't here, it's when you're gonna be
You never wanna come back home

[Refrão]

A G D
Oh mama, what you gonna do with all that love in your heart

A G D
Oh mama, what you gotta say about that love in your heart

A G D
Oh mama, when you walk this way why don't you give some lovin'

A G D
Oh mama, what you gonna do with all that love in your heart

[Solo] A G D
A G D
A G D
A G D A

[Ponte]

A G D A
Do you remember what I said when I got down on my knees?

A
Gotta get your lovin' baby, your lovin's all I need

A G D A
Don't make me beg now baby, don't make me bleed

D
I gave you all a man could give and you still walked out on me

[Refrão]

A G D
Oh mama, what you gonna do with all that love in your heart

A G D
Oh mama, what you gotta say about that love in your heart

A G D
Oh mama, when you walk this way why don't you give some lovin'

A G D
Oh mama, what you gonna do with all that love in your heart

A G D
Your heart

A G D
Your heart

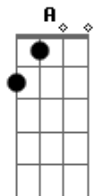

A G D
Your heart

A G D
Your heart

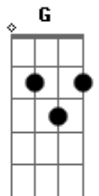

G D G D G D
Lovin', burning fire

A
Oh yeah
