

Grey's Anatomy - Chasing Cars

Tom: C

We'll do it all, everything, on our own

We don't need anything, or anyone

If I lay here, if I just lay here

Would you lie with me, and just forget the world

I don't quite know how to say how I feel

Those three words, I said too much, but not enough

If I lay here, if I just lay here

Would you lie with me, and just forget the world

Forget what we're told, before we get too old

Show me a garden that's bursting into life

Let's waste time, chasing cars, around our heads

I need your grace to remind me, to find my own

If I lay here, if I just lay here

Would you lie with me, and just forget the world

Forget what we're told, before we get too old

Show me a garden that's bursting into life

All that I am, all that I ever was

Is here in your perfect eyes, they're all I can see

I don't know where, confused about how as well

just know that these things will never change for us at all

If I lay here, if I just lay here

Would you lie with me, and just forget the world
