

# Grey's Anatomy - Chasing Cars

Tom: C

We'll do it all, everything, on our own  
 We don't need anything, or anyone  
 If I lay here, if I just lay here  
 Would you lie with me, and just forget the world  
 I don't quite know how to say how I feel  
 Those three words, I said too much, but not enough  
 If I lay here, if I just lay here  
 Would you lie with me, and just forget the world  
 Forget what we're told, before we get too old  
 Show me a garden that's bursting into life  
 C G F C

Let's waste time, chasing cars, around our heads  
 I need your grace to remind me, to find my own  
 If I lay here, if I just lay here  
 Would you lie with me, and just forget the world  
 Forget what we're told, before we get too old  
 Show me a garden that's bursting into life  
 All that I am, all that I ever was  
 Is here in your perfect eyes, they're all I can see  
 I don't know where, confused about how as well  
 just know that these things will never change for us at all  
 If I lay here, if I just lay here  
 Would you lie with me, and just forget the world
