

## **Grizzly Bear - Mourning Sound**

tom: Intro: C G Bm D C G D A I made a mistake I should have never tried I took the cake Finished every slice I moved away Still playing off the fines For every day I shared our love delight ( C G Bm D ) ( C G D ) I stare at the face Looking through my eyes I move at a pace That I cannot survive I'm hauling away I do it all the time Let love age And watch it burn out and die (CGBmD)

```
( C G Bm D )
( C G Bm D )
C G
I woke to the sound of dogs
To the sound of distant shots and passing trucks
 C G
                        Bm D
We woke with the mourning sound
It's the sound of distant shots and passing trucks
 C G Bm D
We woke with the mourning sound
                              G
                                   Bm
It's the sound of distant shots and passing trucks
\ensuremath{\mathbf{I}} own the faith
Could never have denied
This isn't a place
 D
Where I can even try
I'm hauling away
Bm [
I do it all the time
Let love age
And watch it burn out and die
We woke with the mourning sound
It's the sound of distant shots and passing trucks
                      Bm D
We woke with the mourning sound
It's the sound of distant shots and passing trucks
                Bm D
We woke with the mourning sound
It's the sound of distant shots and passing trucks
