

Grizzly Bear - Ready, Able

Tom: C

C (palm mute and pluck throughout the verse at a steady pace)

I'm gonna take a stab at this
 sure you will be alright
 make a decision with a kiss
 baby I have false spite

(The bridge is pretty straight forward, just remember that it is in 3/4 timing!)

Dm G
 And when I trek alone back home
 Dm G
 I make sure I trek in the snow
 Dm
 Would I fall?

C (same as verse before)
 Tissue and bones, it was a trick
 this isn't a gun-fight
 checking it off of my list
 unable to rewrite

(Bridge, same as before)

Dm G
 Five years cast once and far alone
 Dm G

hope I'm ready, able to make my own

Dm
 Goodbye

(For this part, the chorus, you play the Dm for 2 bars, as well as the Am and G. This part is also in 3/4 timing.)
 Repeat 4 times

Am
 They go, we go
 G
 I want you to know
 Dm
 what I did, I did

(For this next part play the Dm for 4 bars, and the Am and G for 2).

Am G Dm, Am G Dm

(repeat chorus twice, the second time you play Dm for 4 bars).

Am
 They go, we go
 G
 I want you to know
 Dm
 what I did, I did

Acordes
