

Josh Groban - Hidden Away

Tom: C
Intro: C F C

F C F C
Over mountains and sky blue seas
F C F C
On great circles will you watch for me?
F C F C
The sweetest feeling I've got inside
F C F C
I just can't wait to get lost in your eyes

F G C F
And all these words that you meant to say
C Am
Held in silence day after day
G C F
Words of kindness that our poor hearts crave

C
Please, don't keep them
F C
Hidden away

Am G Em
Sing it out so I can finally breathe
G Em F
And I can take in all you say
G Em
Holding out for something I believe in

G Em F
All I really need today

Dm
I want to free your heart

Am
I want to see your heart

F G
Please, don't keep your heart

C F C
Hidden Away

F C F C
You're a wonder, how bright you shine

F C F C
A flickered candle in a short lifetime
F C F C
A secret dreamer that never shows
F C F C
If no one sees you then nobody knows

F G C F
And all these words that you meant to say
C Am
Held in silence day after day
