

# Josh Groban - To Where You Are

Tom: Bb

**Bb**  
Who can say for certain  
**Dm**  
Maybe you're still here  
**Eb**  
I feel you all around me  
**Bb F**  
Your memory's so clear

**Bb**  
Deep in the stillness  
**Dm**  
I can hear you speak  
**Bb F**  
You're still an inspiration  
**Bb F**  
Can it be  
**Gm**  
That you are my  
**Eb**  
Forever love  
**Cm**  
And you are watching over me from up  
**F F**  
Above

**C C C**  
Fly me up to where you are  
**C Dm Dm7**  
Beyond the distant star  
**Dm7 G**  
I wish upon tonight  
**Em**  
To see you smile  
**Am F**  
If only for awhile to know you're there  
**Fm**  
A breath away's not far  
**C**  
To where you are

**Bb**  
Are you gently sleeping  
**Dm**  
Here inside my dream

**Eb**  
And isn't faith believing  
**Bb F**  
All power can't be seen  
**Bb**  
As my heart holds you  
**Dm**  
Just one beat away  
**Bb F**  
I cherish all you gave me everyday

**Gm**  
'Cause you are my  
**Eb**  
Forever love  
**Cm F F**  
Watching me from up above  
**Gm**  
And I believe  
**Eb**  
That angels breathe  
**Cm**  
And that love will live on and never  
**F F**  
Leave

**C C C**  
Fly me up to where you are  
**C Dm Dm7**  
Beyond the distant star  
**Dm7 G**  
I wish upon tonight  
**Em**  
To see you smile  
**Am F**  
If only for awhile to know you're there  
**Fm**  
A breath away's not far  
**C**  
To where you are  
**F**  
I know you're there  
**Fm**  
A breath away's not far

To where you are
