Verso:  
I left my body in a sea of people and thats just how I leave it  
I met somebody in a sea of people and thats just what I believe in

(Intro)  
Yeah we laughing like a Wednesday night

we ran across the interstate  
We drank a bottle of vinegar  
And then we stayed up really late

Bring me down, break it down, in the hot hot desert, this is where I want to be

Refrão:  
I am what I am, a natural disaster  
Pick me up at three Send me out to sea maybe ill come back for ya

See I lost my clothes Im skinny-dipping  
And I cant understand what Im a-fter

(Intro)  
So as we lay upon this ground  
I swear you look like Lucifer

The green is blue and so are you  
and now we've gone to Jupiter

(Break it down, oh wait, ah shit.)

Bring me down, break it down, in the hot hot desert, this is where I want to be

Refrão:  
I am what I am, a natural disaster  
Pick me up at three Send me out to sea maybe ill come back for ya

See I lost my clothes Im skinny-dipping  
And I cant understand what Im a-fter

Swim, swim, swim in a swimming pool

The sky is blue, the trees are, too

Swim, swim, swim from green to red

Go to bed, you sleepyhead

( Em Am Dm G )

Swim, swim, swim in your swimming pool

Like swimmers do, I'll call on you

I left my body in a sea of people and thats just how I leave it

I met somebody in a sea of people and thats just what I believe in

that's just what I believe in

that's just what I believe in

Refrão:  
I am what I am, a natural disaster  
Pick me up at three Send me out to sea maybe ill come back for ya

See I lost my clothes Im skinny-dipping

And I cant understand what Im a-fter
