

Grupo AME - Parnaso de Além-túmulo

tom:

Intro: C G Am Am F G C G

Além do túmulo o espírito inda canta
 Seus ideais de paz, de amor e de luz
 No ditoso país onde Jesus
 Impera com bondade sacrossanta
 Nessas mansões a lira levanta
 Glorificando o amor que em Deus transluz
 Para o bem exalçar que nos conduz

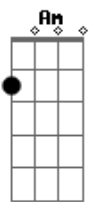

À divina alegria pura e santa

Nessa castália eterna da harmonia
 Transborda a luz excelsa da poesia
 Que a Terra toda inunda de esplendor
 Hinos das esperanças espargindo
 Sobre os homens tornando-os mais unidos
 Na ascensão para o belo e para o amor
 Para o amor, para o amor
