

Grupo Águila - Noite de Natal

tom:

E

Meu ser transborda ao escutar
 Os sons tão lindos que estão pelo ar
 Há tanta gente a celebrar
 Oh, noite santa! Que doce paz

Há esperança nos corações
 Um brilho intenso eu vejo no ar (eu vejo, sim)
 Surge a vontade do amor falar
 Oh, noite santa de Natal
 Oh, noite santa! Que doce paz

Muitas casas enfeitadas
 Tantas luzes a piscar

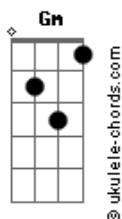

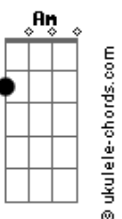

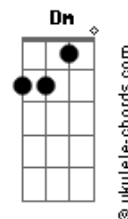

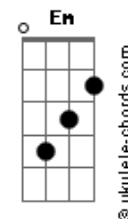

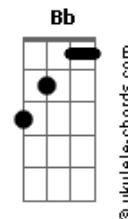

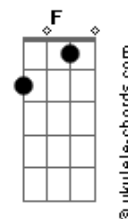

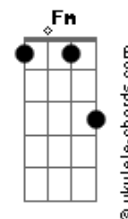

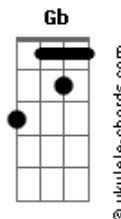

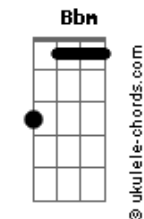

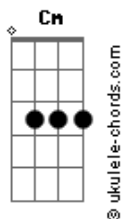

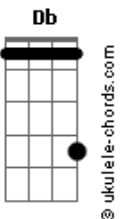

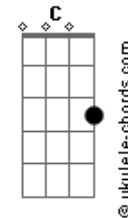

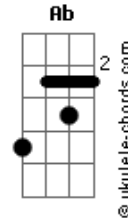

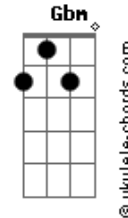

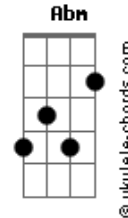

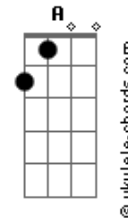

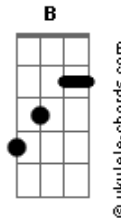

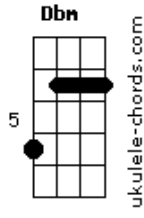

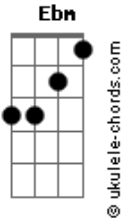

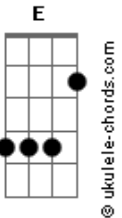

Um coral eu ouço ao longe

Melodias entoar

Relembrando o nascimento

Do menino, Rei, Senhor

Acordes

Temos sempre a certeza

Ele é o nosso Salvador

Oh noite santa

Nasceu Jesus (nasceu Jesus)

Se junte ao coro e venha celebrar

Nações e povos vinde adorar

Oh, noite santa de Natal

Oh, noite santa

Nasceu Jesus

Se junte ao coro e venha celebrar

Nações e povos vinde adorar

Oh, noite santa! Sim, de Natal

(Sim, de Natal)

Oh, oh noite santa! Que doce paz

Eu sinto a doce paz
