

Grupo E D+ - Cena de Cinema

tom: **A** **E7M** **Abm7**

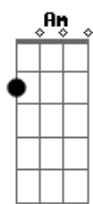

Vi você chegar pela janela
 Bem eu tava louco prá te ver
 Saí prá te encontrar no corredor (ô.ô.ô)
 Peguei a flor mais linda da capela
 Menina linda cor doce singela
 Prá presentear o meu amor

A7M **Abm7** **A7M** **Abm7** **A7M**

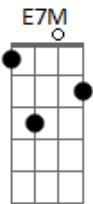

Foi como numa cena de cinema
 Coisas que dominam o coração
 Naquela em que o mocinho vai ganhar (á,á,á)
 Um beijo de carinho da princesa
 Mantendo a nossa chama sempre acesa
 Tristeza foi embora prá outro lugar
 Fica, não vá embora
 Fica, deixa a saudade lá fora
