

Grupo Gente da Terra - Cabelo de Sisal

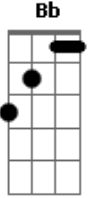

tom:
 Ela tem os olhos da Lagoa, tem os cabelos de sisal
 Voa numa canoa, tem sina de temporal

A noite de lua nova, corre e brinca no mar
 Dança, rola na areia, gira, canta pro vento chegar
 No varal, ela vai dar, lá no Canto do Araçá
 Um beijo pra matar seu desejo, sua fome, seu medo, de amar
