

# Grupo Raça - Muambeiro

tom: Dm

Compadre, que sufoco, por pouco pirei  
 Atravessei fonteiras, plantei bananeira  
 Mas me virei  
 Caramba, tá tão ruim na terra do samba  
 Assim pra sobreviver fui comprar muamba  
 Peguei minha mixaria guardada no colchão  
 Agora ser muambeiro é profissão  
 Muchacha, sei que soy  
 Um bamba que não cai

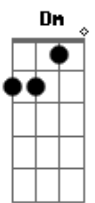

Minha vida é comprar muamba no Paraguai  
 Soy muambeiro, soy muambeiro, soy muambeiro  
 Muambeiro de pai pra filho no vem e vai

É o seguinte, eu não sou camelô, sou agente de  
 Importação, diretamente da fonte para o consumidor

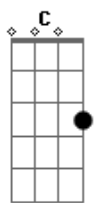

Esse papo de Paris, States, Soviet e Oriente, é tudo com  
 A gente

Soy muambeiro  
 Muambeiro de pai pra filho no vem e vai  
 Camisita pra moça bonita fazer amor pra enganar  
 Papai
