

# Grupo Raça - Teu Chamego

Tom: A

(intro) Bm7 E7 A7 D7 Abm7 Db7 Gbm7

Na vida se promete mais  
 O que a gente menos sente  
 Palavra que não volta atrás  
 Eu minto pra te ver contente

A gente sabe que é capaz  
 De amar se dar sem vaidade  
 Na hora de fazer amor

Nós somos só verdade

(refrão)

O teu chamego é meu xodó

O teu xodó me faz um bem

Quando estou perto de você

Não vejo mais ninguém

Aí é que tudo acontece

Quando chega a hora, todo pranto rola

Eu ter que ir embora sem levar você comigo

Nem o copo me consola

Nem o ombro do amigo

Quando a saudade é no peito

Deixa o coração

partido

(refrão 2x)

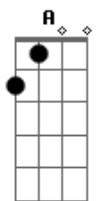

O teu chamego é meu xodó

O teu xodó me faz um bem

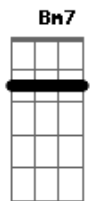

Quando estou perto de você

Não vejo mais ninguém
